### 1.0 DISTRICT ELECTRONIC COMMUNICATION

#### 1.1 LNID Website [www.lnid.ca](http://www.lnid.ca)

The District website has updated news and contains more detailed material along with maps.

#### 1.2 Email & Updated Contact Information

The LNID requests that updated contact information be sent to the office. This information is to include your name, your company name(s), mailing address, phone number(s) (including which number can receive text messages), and email address. Information can be emailed to [lnid@telus.net](mailto:lnid@telus.net) or you can call the office.

If you would like to receive newsletters and notifications by email, please submit your request and email address to [lnid@telus.net](mailto:lnid@telus.net). Future assessment notices and billing invoices may be sent by the LNID via email. Please state your preference for paper or email billing.

## 2.0 WHAT'S HAPPENING IN THE DISTRICT

### 2.1 100<sup>th</sup> Anniversary

The District has postponed plans to celebrate its 100<sup>th</sup> Anniversary until 2023.

### 2.2 Annual General Meeting and Annual Report

The Annual General Meeting is scheduled for April 21, 2022 at 1:30pm at the Picture Butte Community Centre. The Annual Report will be available prior to the Annual General Meeting. It can also be viewed on the District Website.

### 2.3 Liquid Manure

The District will not approve an application to temporarily cross LNID works with liquid manure unless a *Certificate of Liability* Insurance is provided naming the District as an additional named Insured.

### 2.4 Canal Bank Watering and Travel

Please prevent your irrigation systems from watering canal banks. Only ATV's and light duty vehicles are permitted to travel on dry canal driving banks.

## 3.0 WATER ALLOCATION 2022

### 3.1 Water Turn On Date

The District will commence flushing the Monarch main canal and out of Keho Reservoir on April 19<sup>th</sup> for water delivery during the week of April 25<sup>th</sup>- 29<sup>th</sup>, depending on the weather and your location.

### 3.2 Water Allocation Limits

The Board has approved 17.5"/acre for the Water Allocation Limit for the commencement of the 2022 irrigation season. The allocation will be reviewed monthly by the Board.

### 3.3 Annual Agreements

The District has **1,000 acres** available on a first come - first serve basis. Annual Agreements are limited to a maximum of 50.0 acres and payment, in full, must be made at the time of signing. These agreements are for a term of one season only and automatically expire on December 31, 2022.

## 4.0 WATER MANAGEMENT

### 4.1 Ordering Water On / Off (Minimum 24 Hours' Notice Required)

To order water on/off:

- ❖ **Contact your Water District Supervisor directly on their cellular phone by voice call, voice message or text message**
- ❖ **Contact your Water District Supervisor in person**
- ❖ **Email your Water District Supervisor**

Electronic communication requires more information to ensure accuracy and validity to the water order. The following information is **required** at the time of placing water orders by text or email:

- ❖ **Your Name;**
- ❖ **Legal land description;**
- ❖ **Return method of communication (phone number, email address);**
- ❖ **Volume of water on / off and day/date**

Failure to provide the above information will result in delays to your water delivery. **Electronic water orders are not complete until you receive a confirmation from the Water District Supervisor. Do not turn your system on/off after placing your order.** If you have not received a reply to your water order, assume that it did not go through and call your Water District Supervisor directly.

Water orders require a **minimum of 24 hours' notice**. Water orders (on/off) for the next day must be received **prior to 3:00pm**. Water orders will only be implemented Monday through Saturday. **Water orders will not be allowed for changes on Sundays or holidays.**

No credits for cold weather shut-down, moving wheel lines, wind, etc. Credits will be granted for system breakdowns if notification is given to the District. The credit will be calculated from the time of notification. Usage calculation starts when water is delivered to the parcel and stops within 24 hours after the water has been ordered off. **Failure to order water on/off will result in penalties and/or a loss of allocation.**

To ensure accuracy of your calculated usage, please report any modifications of your irrigation system to the LNID office or your Water District Supervisor.

## 4.2 Water District Supervisors

District	Water District Supervisor
Macleod	Matthew Coster 403-308-9026 <a href="mailto:matthew.coster@lnid.ca">matthew.coster@lnid.ca</a>
Monarch/ Keho	Zach Liska 403-382-5865 <a href="mailto:zach.liska@lnid.ca">zach.liska@lnid.ca</a>
Nobleford	Garth Fischer 403-308-1613 <a href="mailto:garth.fischer@lnid.ca">garth.fischer@lnid.ca</a>
Park Lake	Mike McCloud 403-634-8449 <a href="mailto:mike.mccloud@lnid.ca">mike.mccloud@lnid.ca</a>
Piyami	John Degenstein 403-308-4453 <a href="mailto:john.degenstein@lnid.ca">john.degenstein@lnid.ca</a>
Albion	Tysen Sushelnitski 403-382-5845 <a href="mailto:tysen.s@lnid.ca">tysen.s@lnid.ca</a>
Butte	Ryan Chogi 403-382-5422 <a href="mailto:ryan.chogi@lnid.ca">ryan.chogi@lnid.ca</a>
Battersea	Walter Engels 403-382-5840 <a href="mailto:walter.engels@lnid.ca">walter.engels@lnid.ca</a>
Turin	Dustin Gillies 403-382-5851 <a href="mailto:dustin.gillies@lnid.ca">dustin.gillies@lnid.ca</a>

**Please be advised that some of the Water District Supervisor areas have been re-organized. Go to [www.lnid.ca](http://www.lnid.ca) to view the updated maps of the Water District Supervisor areas.**

## 6.0 NOTICE OF WEED CONTROL TREATMENTS

The LNID will be controlling broadleaf weeds along its right-of-ways for the 2021 irrigation season. The chemicals used will be Dycleer, 2,4-D Amine 600 and Amine 500 herbicides. Round-up will also be used for weed control on gravelled driving banks and for reed canary grass control. This Spray program will be starting in May of 2022 and will continue to the end of the irrigation season.

Also included in this weed control program will be the treatments for aquatic weeds. To control these aquatic weeds, the LNID may be treating the Canals noted below on the approximate dates shown during the 2022 irrigation season. The Canals will be treated with Magnicide H (Acrolein, Inhibited) to control the growth of aquatic weeds and algae.

### Projected 2022 Aquatic Treatment Locations & Dates

Monarch Drain	TP 10	RGE 23
Lateral 61C Canal	TP 9/10	RGE 22
Lateral 62G Canal	TP 11/12	RGE 21
Lateral 62J Canal	TP 11	RGE 20/21
Lateral K1/K2 Canals	TP 11/12	RGE 19/20
Lateral 62K Canal	TP 11	RGE 19/20

### Weeks of:

**May 16, 23, 30 June 6, 13, 20, 27 July 4, 11, 18, 25  
August 1, 8, 15, 22, 29 September 5, 12, 19, 26**

All sub-laterals that receive water from the above noted laterals may/will be affected by these treatments. Please read the supplied material if you have land by these treatments.

This weed control program is administered by licensed applicators under the approval from Alberta Environment & Parks.

## 7.0 BOARD MEMBERS

### John Vandenberg (Chairman)

Division 3 - East of Park Lake & Coalhurst;  
West Lethbridge to Shaughnessy &  
Diamond City.

### Martin Van Diemen (Vice Chairman)

Division 2 - East of Piyami Coulee; Picture  
Butte & West to Iron Springs.

### Peter Bos

Division 1 - Iron Springs East to Turin.
