## **HOW TO CROSS LNID WORKS:**

**STEP 1: SUBMIT** a Utility Safety Partners Request (One-Call)

**STEP 2: WAIT** for an LNID locator to locate (“flag”) LNID infrastructure.

**STEP 3: CONTACT** LNID for a Crossing Agreement. Once the Crossing Agreement is signed by both you and LNID,, proceed to Step 4.

**STEP 4: HYDROVAC** to safely expose the infrastructure with an LNID field representative on site.

**STEP 5: PROCEED to cross** LNID infrastructure with the approved design.
